Why was PE cancelled on Monday (year 3) when the hall is being used during games sessions?

The children do run around on the playground/ play fields instead. The one occasion year 3 didn't do this because they were organising their school trip.

Year 6 coming home in PE kit; parents would like children to change because they leave their school clothes at school.

The children have been told to change unless they have an after school activity. Because of this children may be delayed from coming out of school as they are changing at the end of the day.

Reckless scootering outside school on the pavements.

There will be a comment on the next newsletter.
