

Minutes Parent Forum 1st April 2011

Apologies: Mrs Qureshi,

Present: Mrs Nash, Mrs McCall, Mrs Bogie, Mrs Crouch, Mrs Robinson, Mrs Lewis, Mrs Hart, Mrs Whittington, Mrs Williams

The comment was made that a parent was very pleased to see a response from the school regarding the Japanese Disaster.

When and how do we hear about the outcome of the parent forum meetings: minutes are accessible on the website and some reps email directly to their classes.

Could parents have a list of all the teachers and classroom assistants and backgrounds etc: in September in the newsletter a list of all teachers and classroom assistants are made available and if changes are made then it is made known on the newsletter

Lunchtime: the reason that it was not made known to the parents before the new routine was put in place was that it was regarded that it was a minor change. As soon as the staff was made aware that there was an issue, then the letter was sent out.

The outcome is that the lunchtimes are much better and the children are a lot happier and that it has had a positive effect outside of the lunchtimes as well.

Lollipop lady: we can't get a replacement at the moment and no one has offered. Some ways of advertising were discussed

Sports: could there be a variety of children picked for teams and not the same children being picked each time. Answer to follow

Boys are not exercised enough: wake and shake is returning. Could there be a running club at lunchtimes? The curriculum will include more running during games lessons.

Next year is the schools 40th anniversary. (September 2012). Please if parents have any ideas to celebrate this then please let your parent rep know.

Next meeting 20th May 2011
