Dear Parents/Carers

School Inhaler Permission

As you may be aware, a change in legislation now allows schools to purchase and hold emergency Salbutamol inhalers. The purpose of this is to ensure that children who require Salbutamol medication have access to it should their inhaler have expired, be broken or lost.

We must however, request written permission from you as parents to administer this medication.

If you are happy for this to be the case then please return the slip below to the school office.

Regards

Mrs Marshall
