Dear Parents and Carers,

We are delighted to be able to offer some maths mastery parents workshops in the new year for parents in Reception and Key Stage 1. The first part will be an information session on how we teach mastering number at school and how you can support your child at home. The second part of the session will be an opportunity to take part in maths related activities with your child and for you to ask any questions. There will be a pack for you to take home at the end of the session. For those parents that can not attend, this will be sent home with your child at the end of the day.

Please save the dates of the maths mastering number parent workshops in January and complete the Google Form below to confirm whether or not you will be attending.

Friday 17th January (8.50am-9.50am) - Reception

Thursday 23rd January (8.50am-9.50am) - Year 1

Thursday 30th January (8.50am-9.50am) - Year 2

Following on from the workshops, for the next 4 weeks, your child will bring home a weekly activity sheet, diary sheet and some games to play.

We look forward to seeing you there.

Best wishes,

Mrs Martin

Reception Teacher and Maths Lead
