13th January 2026

Dear Parents and Carers,

Nursery and Reception have been lucky enough to have been able to purchase a large number of new bikes and scooters to support the children in continuing to progress within their physical development, as one of our core areas of learning within the Early Years curriculum. To promote the correct use of the bikes and scooters, both at school and in the community, and to show children the importance of safety and the rules of the road we are asking parents to provide an appropriate, fitted and secure helmet. We ask for the helmets to be correctly labelled with your child's name and class which will then remain at school. We ask for these to be provided as soon as possible and no later than Friday 13th February. Please contact your class teacher if you have any questions related to the purchase of the helmets.

Many thanks,

Mrs Hyatt (Assistant Headteacher EYFS & KS1 & SENDCo) and Miss Hughes (Nursery Teacher)
