30TH January 2026

Dear Parents and Carers,

Reception trip to The Field Studies Council at Mop End, Amersham.

Tuesday 5th May 2026.

We are pleased to inform you that we have arranged a trip for the reception children to visit The Field Studies Council in Amersham on Tuesday 5th May 2026. During the day, the children will be learning outside. They will use maps, stories and games to explore habitats. Discover the plants and animals that live here and build dens for Barnaby Bear. They will also have the opportunity to learn more about minibeasts, which is our topic in the summer term.

Please bring your child to school at the normal time for the start of the day. We will travel by coach and will return to school in time for the normal end of the school day. All children will need to bring a **packed lunch (no nuts)** and a **water bottle** please. The children will need to wear clothing which is appropriate for the weather and activities. We will be in touch nearer the time with more specific clothing information.

We would welcome a voluntary contribution via Parent Pay of £21 to cover the costs of the trip. Unfortunately, if we do not receive sufficient voluntary contributions, we will have no option but to cancel the trip as we are unable to cover the cost from the school budget.

We will require some parent helpers from each Reception class for the trip. If you would like to be a parent helper, please email your class teacher by Monday 9th February.

We are looking forward to a lovely day playing and learning in nature.

With best wishes,

The Reception Team
