Dear Year 6 Parents and Carers,

It has recently come to our attention that some Year 6 pupils have been participating in group voice calls outside of school and inappropriate language has been used in conversations. While these interactions are taking place outside of school hours, the impact is being felt during the school day, with some issues carrying over into the classroom and affecting pupils' learning and wellbeing.

We would therefore like to remind parents and carers of the importance of monitoring children's online activity, including group chats and voice calls. Our priority is to maintain a positive, respectful environment for all pupils, and your support in reinforcing these expectations at home is greatly appreciated.

Thank you for your continued support.

Kind regards,

Burford School
