At Nursery you need to wear comfortable clothes that you don't mind getting messy!
Here are some things that you might wear.
Please don't wear shoes with laces.

These are some things you need to bring with you, make sure everything has your name on it.

Your 1st day

Water bottle

Sun hat

Welly boots (don't worry if you don't have these on your 1st few days)

Rain coat

If you are staying for lunch, you will need a packed lunch in a lunchbox.

BURFORD SCHOOL

MARLOW BOTTOM

On your 1st day at Burford Nursery, we invite your parents or carers into Nursery to help settle you in. You will wait outside with your grown up until the door opens, then you will walk inside together and hang your things on your peg. Next, you can go and play with your grown up in the classroom or garden. Your teachers will say hello to you and help you to find everything that you need. You can play with your grown up until it is time to say goodbye. At Nursery, you will play with your new friends and teachers and we will have a snack and lunch. It is going to be so much fun! When it is time to go home, your grown up will wait outside for you and your teachers will take you outside to meet them again.
