## Young Enterprise stall

Dear Parents and Carers,

We are excited to share that this year's Summer Fayre will include a **Young Enterprise stall**, run entirely by the children. If your child would like to take part, we would love to hear their proposal.

Their idea can be anything they feel inspired to create or sell — for example, slime, homemade decorations, 3D-printed toys, or any other creative product they would enjoy making.

As we only have space for two stalls, we will select the winning ideas at random from the proposals submitted. We also kindly ask that a small percentage of any profit made is donated back to the school to support future events and activities.

If your child is interested, please submit their ideas to the school office.

Thank you for your support — we can't wait to see what the children come up with.

Kind regards

Burford School
