

Design your own Christmas cards!

Dear Parents and Carers,

As we look ahead to the festive season, we're inviting all Burford children to create their own Christmas artwork! Their designs can be printed on items like cards, mugs, wrapping paper, and more - perfect for personalised gifts while raising funds for Burford (at least 20% of each order goes to the school).

Key Dates & Steps:

1. **Templates** sent home this week (check bookbags!).
2. **Children complete designs at home** and return by **Thursday 9th October** (except *Acorns Class*, who will do theirs in school).
3. Sample artwork and ordering instructions sent home.
4. Order online by **12:00 Friday 27th November**.
5. Final products arrive in December - just in time for Christmas!

Important Notes:

- Use **felt tips, crayons, or paint**.
- **No glitter, glue, metallics, or 3D elements**.
- **Portrait only** (not landscape).
- Each template has a unique code. If lost, spares will be available in the stamping shelter.
