8th May 2026

Dear Parents & Carers,

On Monday 18th May, as part of our Year 1 Science work on the Senses, we will be carrying out a tasting activity.

The children will have the opportunity, if they would like, to taste small samples of **lemon juice, sugar, golden syrup, soy sauce, pickled gherkin, jam, raspberries** and **dark chocolate**. The children can choose what they would like to try. We will discuss the varying tastes of these food items and whether they are sweet or sour.

If your child has any allergies or you would not like your child to taste any of these foods, please let your class teacher know before Wednesday.

Kind regards,

The Year 1 team
